It's all about Community as families gather together for fun and food on a Summer night. They anxiously await that little bit of magic for the arrival of Santa, or the Easter Bunny. Maybe they gather on a crisp fall evening to decorate pumpkins and listen to ghost stories. Whatever the season, Western Springs is alive with fun events throughout the year.

Here's your opportunity to join hands with the Village of Western Springs and the Western Springs Business Association in presenting these special times and getting your name in front of the community residents. Sponsors receive valuable name recognition and publicity throughout the year.

Say yes, to a level of sponsorship that suits your advertising and budget needs.
